

ANNOTATION
**on the investment project “Organization of 5-layer metal-polymer tubes
production on FEZ Gomel-Raton territory”**

The investment project «Organization of 5-layer metal-polymer tubes production on FEZ Gomel-Raton territory» was worked out to attract a foreign investor to set up the production of 5-layer metal-polymer tubes of 4 types with 16-32 mm in diameter.

The tubes could be completed with polysulfo fittings of compressive type or press fittings of original construction, which provide safe connection.

The project is at the preinvestment stage: the preliminary feasibility research has been done, business plan has been worked out, production technology and a list of the main equipment necessary for production process have been determined.

For the tubes production organization two technological lines with additional completing units made by CAS Majak (Russian Federation) is planned.

The total amount of the investments according to the project is USD2,6 mln. including USD2,02 mln. of capital assets investments and USD0,6 mln. for replenishment of circulating assets.

The period of project realization is 5 years; the period of recoupment is 3 years. It is planned to create 47 new workplaces.

Taking into account a 2-shift operation a planned maximum equipment load will be achieved by the 3rd year of the project realization. When the designed capacity is reached, the volume of 5-layer metal-polymer tubes output will make up 10,4 th. km a year.

The production is meant mainly for the Russian market. The consumers of metal-polymer tubes are contracting agencies engaged in capital construction, municipal services and households.

The proceeds of the products sale according the project will amount to USD32,383 mln., net profit will amount to USD3,962 mln.

For the production organization vacant premises (production premises and warehouses – 1 400 sq.m.; office facilities – 150 sq.m) within FEZ Gomel-Raton will be used.

Realization of the project on FEZ Gomel-Raton territory will permit an investor, being a FEZ resident, to enjoy tax and customs incentives.
