

ANNOTATION
on the investment project “Ferroussiliconmanganese production organization on FEZ Gomel-Raton territory”

The investment project “Ferroussiliconmanganese production organization on FEZ Gomel-Raton territory” was worked out for realization on FEZ Gomel-Raton territory.

Commercial organization creation with foreign investment is planned.

The collective investment fund will be USD 3,1 mln.

The investment project is intended for a new for the republic modern production organization on import substituting products manufacture - ferroussiliconmanganese of the grade Mn C17. Ferroussiliconmanganese is used for steel, alloys, cast iron reducing and doping, purified manganous alloys production, in metallurgy and other industrial fields. Rubble will be a by-product derived during the technological process.

Republican Unitary Enterprise Belarusian metallurgical plant will be the main consumer of ferroussiliconmanganese.

There is the land plot of 2 hectares for the project realization within FEZ boundaries. The project implies building of 5 150 sq. m premise at the cost of USD 4090,0 thousand (including infrastructure and engineer communications expenses) at the available lands of FEZ Gomel-Raton.

It is planned to acquire new technological equipment for the sum of USD 10,5 mln.

The terms for the project realization is 7 years with the recoupment period of 6 years and 8 months.

The following aims are in pursue:

- creation of a new import substituting production of ferroussiliconmanganese. When the designed capacity is reached (the 2-nd year from the beginning of the project realization) the volume of ferroussiliconmanganese output will be 36 mln. tans, the volume of road metal output - 26,5 tans;
- foreign investment inflow of USD 21,829 mln., including investments into the main assets in the sum of USD 14,89 mln.
- 101 new workplaces will be created.

Financing of the project is supposed to come from the own assets of the enterprise and investor’s foreign loan.

The investment project meets the requirements for the projects to be realized on the territory of FEZ Gomel-Raton.
